Just How Bull Was Killed.

The official report of Indian Agent McLaughlin at the standing Rock agency, North Dakota, in reference to the killing of Sitting Bull, has been received by the commissioner of Indian

affairs. In it he says: Sitting Bull had two log cabins a few rods distant from days, on account of the bad each other, the wagon road passing between, and ten policemen entered one of the houses and eight entered the other, so as follows. Sunday school ev- as to make sure of finding him. ery Sunday at 10 o'clock a. m.; They found him in the larger preaching on second Sundays building of the two and announat 2 p. m. by Rev. Eure; on the ced the object of their mission, prisoner and was to accompany fore the 4th at 10 a. m. by Bro. them to the agency. The police A. Graves, on the premise Morris, and class meeting every also took possession of two Graves, Wetunka, I. T. rifles and four hunting knives

found in the house.
Sitting Bull said: "All right,
I will go with you; I will put on my clothes;" and then sent one in Lerance Township of Bollinger Conof his wives to the other house for some clothing that he de- white steer marked with a crop of left sired to wear.
